A Cry for Life

Normal 0 false false false MicrosoftInternetExplorer4 Can someone out there hear me? I'm in my mother's womb. If someone doesn't help me, I will be aborted soon.   Talk to her and tell her, That I'm a person too. I'm just smaller, that's all. No different from all of you.   I've got hands and I've got fingers And my head is full of hair. Please don't let her do this. Can't someone make her care!   Someone make her listen Don't let her kill me now. Just a few months more and I'll be born Oh, Help me please, somehow!   Momma, can't you feel me? Don't you know that I'm alive? Please hold on a little longer And I will soon arrive.   In regard to your decision Of whether I will live or die; I will always love you, Mom Whatever you decide.
